

## Rules for Gift Guidelines:

### GIFT LESSON GUIDELINES

(gift lessons are issued with 3 month enrollments only)

Gift lessons are free lessons that can be used in any class at your child's level with open enrollment for the day.

\*\*Gift Lessons may be scheduled up to 1-3 days (via front desk) in advance in a class that does not have full enrollment. Gift lessons cannot be guaranteed.

\*\*Gift lessons have NO CASH VALUE. They cannot be used toward paying for a lesson package of any kind.

\*\*The child must be currently enrolled in our 3 months enrollment and paid in full in our ongoing weekly lesson program in order to use gift lessons. SynchroBabies, Basic Water Safety, and Beginning Courses and those paying by the month **are not** eligible to receive gift lessons.

\*\* Gift lessons are transferable to SIBLINGS, only if that sibling is currently enrolled in lessons. Gift lessons cannot be transferred to other families.

\*\*If you drop a student from lessons, all unused gift lessons on file are voided immediately for that student. They may not be rolled over to a sibling who is still enrolled. New gift lessons will be issued upon re enrollment and payment of a new 3 month program.

\*\* Mid 3 month drops with credit are not allowed. If you choose to drop your child mid 3 months for any reason, you cannot get credit for unused lessons and all gift lessons are immediately voided.

\*\* All 3 month packages with gift Lessons purchased starting Sept. of the current season will expire November of the current season and cannot be carried over in to the new season. All 3 month packages with gift lessons purchased in October or November of the current season may be carried over in to the new season.

\*\*Gift lessons expire at the last day of November of the current season, with the exception of those 3 month lesson enrollments purchased in Oct or Nov the current season.

\*\*Gift lessons are marked off as used as soon as they are scheduled. Any no shows on gift lessons will be marked as used. Cancellation of scheduled gift lesson must be done by 5pm the evening before the lesson, via email, in order that we may schedule another person in that spot.

\*\* In order for our Gift Lesson program to keep working, we do ask that you call in your absence to the office as soon as you know you will not make a lesson, so that we may offer that space to a child for a gift lesson.
